

Overview of Worldwide Tax Treaties

Worldwide Tax Treaties is a collection of over 12,000 tax related treaties, treaty news and analysis, documents to help interpret treaties, and tools to extract key information from treaties. Subscribers receive a weekly treaties news e-mail on Monday mornings.

Worldwide Tax Treaties is a self-contained resource, but it can be enhanced by adding a subscription to Tax Analysts' Worldwide Tax Daily or Tax Notes International, a weekly journal.

What Do You Want to Do?

- [Create a custom alert](#)
- [Opt in / opt out of treaties news emails](#)
- [Find an in-force, income tax treaty](#)
- [Find another type of tax treaty](#)
- [See dividend, interest, and royalty rates](#)
- [Compare two treaties](#)
- [Learn about a country's tax system](#)
